Ava and Ethan have been together for years, and their love is as strong as ever. But when Ethan is offered a job in another city, Ava is forced to make a difficult decision. She can either stay in their hometown and risk losing Ethan, or she can move with him and start a new life.

Ava decides to move with Ethan, but she quickly realizes that their relationship is not as strong as she thought. Ethan is constantly working, and Ava feels like she's not a priority anymore. She starts to doubt their love, and she begins to wonder if she made the right decision.

Just when Ava is about to give up on their relationship, Ethan surprises her with a romantic getaway. He takes her to a beautiful cabin in the woods, and they spend a weekend reconnecting. Ava realizes that she still loves Ethan, and she's determined to fight for their love.

But their relationship is still in jeopardy. Ethan's job is demanding, and Ava is struggling to adjust to her new life. They both have to make sacrifices if they want their relationship to survive.

Delusion is a steamy contemporary romance about the power of love. It's a story about fighting for what you believe in, even when it's difficult. It's a story about passion, betrayal, and redemption.

Author's Note

I wrote Delusion because I wanted to tell a story about the power of love. I wanted to show that love can overcome any obstacle, even the most difficult ones. I also wanted to explore the themes of betrayal and redemption. I believe that everyone deserves a second chance, and I wanted to show that it's possible to forgive even the most hurtful betrayals.

I hope you enjoy reading Delusion as much as I enjoyed writing it.
