The Double-Deckers: A City Icon

The double-decker buses of the 1970s were an integral part of Edinburgh's cityscape, their towering presence a familiar sight on the city's streets. Walter's book captures the grandeur of these iconic vehicles, delving into their design, engineering, and the social impact they had on the city.

Single-Deckers: Practical and Efficient

Alongside the double-deckers, single-deckers played a vital role in Edinburgh's transportation network. These versatile buses provided reliable service on shorter routes and in narrower streets. Walter explores the evolution of single-deckers in the 1970s, highlighting their design innovations and operational advantages.

Lothian Buses: The Heart of the System

Lothian Buses, the city's primary bus operator, played a pivotal role in shaping the 1970s bus landscape. Walter traces the company's history, detailing its expansion, modernization efforts, and its unwavering commitment to providing efficient and reliable public transport to the people of Edinburgh.

Nostalgic Anecdotes and Vivid Imagery

'Edinburgh Buses of the 1970s' is not merely a historical account; it is also a collection of nostalgic anecdotes and vivid imagery. Walter draws upon personal recollections, interviews, and archival photographs to create a rich tapestry of stories and experiences that bring the era to life.

A glimpse into the daily life of Edinburgh's 1970s commuters

Historical Context and Social Impact

The book places the buses of the 1970s within the broader historical context of Edinburgh, exploring their impact on the city's social fabric. Walter examines how buses shaped daily life, influenced urban development, and contributed to the city's unique character.

A Must-Have for Transportation Enthusiasts

For transportation enthusiasts, 'Edinburgh Buses of the 1970s' is an indispensable volume. It offers a comprehensive overview of the city's bus system during this pivotal era, providing detailed information on vehicle specifications, routes, and operational practices.

The book's eye-catching cover reflects the vibrant era it captures

Richard Walter's 'Edinburgh Buses of the 1970s' is a nostalgic journey through the heart of Edinburgh's transportation system. It is a testament to the iconic vehicles that served the city, the dedicated people who operated them, and the enduring impact buses have had on the fabric of Edinburgh's past and present.

Whether you are a lifelong resident of Edinburgh, a transportation enthusiast, or simply someone curious about the city's rich history, this book is a must-read. It will transport you back to the vibrant streets of the 1970s, where double-deckers and single-deckers shaped the rhythm of daily life.
