1. The Grand Canyon

The Grand Canyon is one of the most iconic natural wonders in the world. It's a massive gorge carved by the Colorado River over millions of years. The canyon is 277 miles long, up to 18 miles wide, and over a mile deep. It's a breathtaking sight that will leave you in awe of the power of nature.

There are many ways to experience the Grand Canyon. You can hike along the rim, take a mule ride into the canyon, or even raft down the Colorado River. No matter how you choose to experience it, the Grand Canyon is a must-see for any visitor to the Western United States.

2. Yosemite National Park

Yosemite National Park is another must-see destination in the Western region. The park is home to some of the most iconic natural wonders in the United States, including Half Dome, El Capitan, and Yosemite Falls. Yosemite Valley is a glacially carved valley with sheer granite cliffs, giant sequoia trees, and cascading waterfalls. It's a breathtaking sight that will leave you feeling small in the best possible way.

There are many ways to explore Yosemite National Park. You can hike to the top of Half Dome, take a guided tour of Yosemite Valley, or simply relax and enjoy the scenery. No matter how you choose to experience it, Yosemite National Park is a must-see for any visitor to the Western United States.

3. Yellowstone National Park

Yellowstone National Park is the oldest national park in the United States. It's home to a variety of wildlife, including bears, wolves, and bison. The park is also home to a number of geysers, including Old Faithful. Old Faithful erupts regularly, and it's a sight that you won't soon forget.

There are many ways to explore Yellowstone National Park. You can hike through the backcountry, take a guided tour, or simply relax and enjoy the scenery. No matter how you choose to experience it, Yellowstone National Park is a must-see for any visitor to the Western United States.

4. Glacier National Park

Glacier National Park is home to some of the most beautiful glaciers in the world. The park is also home to a variety of wildlife, including bears, wolves, and mountain goats. Glacier National Park is a great place to go hiking, camping, and fishing. It's a must-see for any visitor to the Western United States.

There are many ways to explore Glacier National Park. You can hike along the Going-to-the-Sun Road, take a boat tour on Lake McDonald, or simply relax and enjoy the scenery. No matter how you choose to experience it, Glacier National Park is a must-see for any visitor to the Western United States.

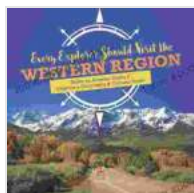

5. The Pacific Coast Highway

The Pacific Coast Highway is one of the most scenic drives in the world. The highway runs along the coast of California, and it offers breathtaking views of the Pacific Ocean. Along the way, you'll pass through a variety of towns and cities, including San Francisco, Los Angeles, and San Diego. The Pacific Coast Highway is a must-see for any visitor to the Western United States.

There are many ways to experience the Pacific Coast Highway. You can drive the entire length of the highway, or you can simply take a day trip to one of the many towns and cities along the way. No matter how you choose to experience it, the Pacific Coast Highway is a must-see for any visitor to the Western United States.

The Western region of the United States is a vast and diverse land, with something to offer everyone. From the towering mountains of the Rockies to the sun-soaked beaches of California, there's something for everyone to enjoy. In this article, we've taken a look at some of the must-see destinations in the Western region, perfect for grade school children. So what are you waiting for? Start planning your trip today!
