When billionaire CEO Ethan James needs a favor, he doesn't expect to fall for the woman he asks. But when he asks struggling artist Ava to pose as his fake fiancée, he finds himself drawn to her in ways he never thought possible.

Ava is initially hesitant to agree to Ethan's request. She's never been one for pretending, and she doesn't want to get involved in his high-stakes world. But when Ethan offers her a generous sum of money that could solve all of her financial problems, she agrees.

As they spend more time together, Ethan and Ava find themselves falling for each other. But their relationship is forbidden. Ethan is a billionaire, and Ava is a struggling artist. They come from two different worlds, and their relationship is sure to be met with disapproval from both sides.

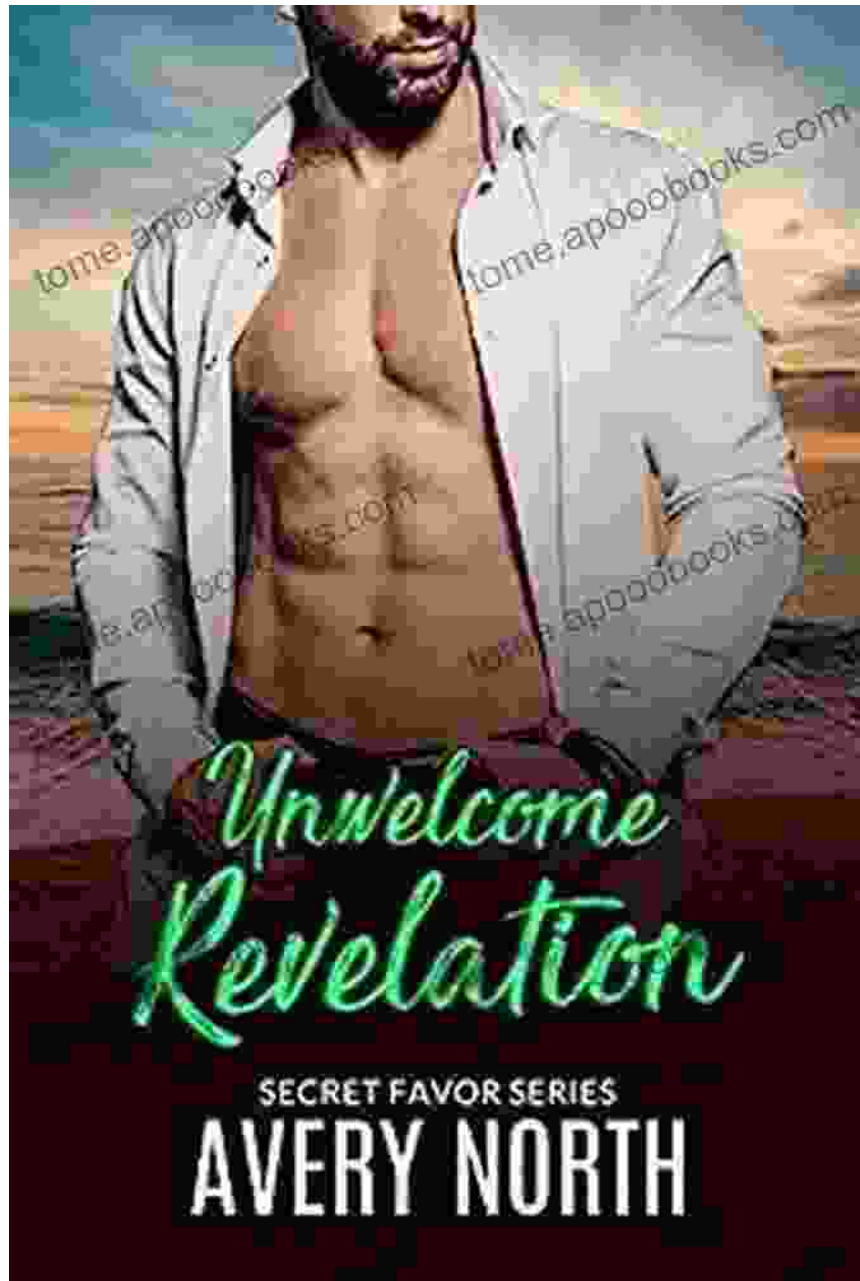

When their secret is revealed, Ethan and Ava must make a hard choice. They can either fight for their love, or they can let it go.

Review

Hard Choice is a forbidden romance that will keep you on the edge of your seat. Ethan and Ava are both well-developed characters, and their chemistry is undeniable. The plot is fast-paced and suspenseful, and I couldn't put the book down until I finished it.

I highly recommend Hard Choice to fans of billionaire romances, forbidden romances, and romantic suspense.
