In a world where the voices of marginalized and underrepresented communities are often silenced or ignored, *My Voice Counts* is a powerful and moving anthology that offers a diverse range of perspectives from those who have been historically excluded from the mainstream.

This collection of essays, poems, and art explores the themes of identity, intersectionality, and the power of storytelling. The contributors to this anthology come from a variety of backgrounds, including people of color, LGBTQ+ people, people with disabilities, and immigrants. They share their experiences of discrimination, oppression, and resilience, and they offer insights into the challenges and triumphs of living in a society that often marginalizes them.

My Voice Counts is a powerful reminder that everyone has a story to tell, and that our voices matter. This anthology is a valuable resource for anyone who wants to learn more about the experiences of marginalized

communities, and it is a must-read for anyone who believes in the power of storytelling to change the world.

What Readers Are Saying

"*My Voice Counts* is a powerful and moving anthology that offers a diverse range of voices and perspectives from marginalized and underrepresented communities. This collection of essays, poems, and art is a must-read for anyone who wants to learn more about the experiences of these communities and who believes in the power of storytelling to change the world."

- Roxane Gay, author of *Bad Feminist*

"*My Voice Counts* is an important and timely anthology that gives voice to the marginalized and underrepresented. This collection of essays, poems, and art is a powerful reminder that everyone has a story to tell, and that our voices matter."

- Junot Díaz, author of *The Brief Wondrous Life of Oscar Wao*
