Print length : 224 pages

The book is divided into four parts:

- **Part 1: Foundations of Language and Literacy**
- **Part 2: Reading Instruction**
- **Part 3: Writing Instruction**

- **Part 4: Speaking and Listening Instruction**

Each part begins with a chapter that provides an overview of the topic and discusses the theoretical underpinnings of the strategies that are presented. The remaining chapters in each part provide detailed descriptions of specific strategies, including:

- How to use graphic organizers to help students understand text
- How to teach students to write effective essays
- How to develop students' oral presentation skills
- How to create a classroom environment that supports language and literacy learning

The book also includes a number of helpful resources, such as:

- A glossary of terms
- A list of recommended readings
- A set of reproducible handouts

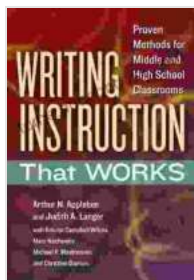

This book is an essential resource for any middle or high school teacher who wants to improve their students' language and literacy skills. It is packed with practical, research-based strategies that can be used in the classroom immediately.
