The book's author, Catherine Belton, is a former Financial Times Moscow correspondent who has been covering Russia for over two decades. Belton has won numerous awards for her work, including the Orwell Prize for Political Writing.

In Russia Babis Bizas, Belton provides a detailed account of how Russian President Vladimir Putin has used corruption to consolidate his power and enrich his cronies. The book traces the rise of Putin's oligarchs, from their

humble beginnings in the 1990s to their current status as some of the richest and most powerful people in Russia.

Belton also shows how Putin's oligarchs have used their wealth to influence Russian politics and media. The book provides a detailed account of the Kremlin's efforts to control the Russian media, and its use of propaganda to manipulate public opinion.

Russia Babis Bizas is a chilling and revealing exposé of the deep corruption that has infected the Russian economy and politics. The book is a must-read for anyone who wants to understand the true nature of the Putin regime.
