

Standing On The Brink of Nuclear War: A Riveting Account of the Cuban Missile Crisis

In October 1962, the world stood on the brink of nuclear war. The Cuban Missile Crisis was a 13-day confrontation between the United States and the Soviet Union that brought the two superpowers to the very edge of Armageddon.

DEFCON-2: Standing on the Brink of Nuclear War During the Cuban Missile Crisis by Norman Polmar

This book tells the story of that crisis from the inside, through the eyes of the men and women who lived it. It is a gripping and deeply personal account of the decisions that were made, the mistakes that were made, and the courage that was shown.

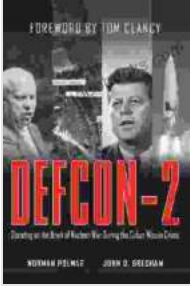

The book is based on extensive research, including interviews with key figures from both sides of the conflict. It provides a fresh and nuanced perspective on one of the most dangerous moments in human history.

If you are interested in the Cuban Missile Crisis, or in the history of the Cold War, then this book is essential reading. It is a vivid and unforgettable account of a time when the world came perilously close to disaster.
