A Scholar of Unparalleled Breadth

Varro's insatiable curiosity encompassed a vast array of subjects, from agriculture and linguistics to religion and history. He was a veritable encyclopedia, his writings providing a comprehensive snapshot of Roman life and thought in the 1st century BC. As Cicero remarked, "There is no subject on which Varro has not written."

The Definitive Collection

"The Complete Works of Marcus Terentius Varro Illustrated" brings together all of Varro's extant works, meticulously translated into English for the first time. This monumental collection includes:

- **De Lingua Latina (On the Latin Language):** Varro's masterpiece, a profound exploration of the origins, structure, and usage of the Latin language.
- **De Re Rustica (On Agriculture):** A comprehensive treatise on farming techniques, livestock management, and rural life.
- **Antiquitates Rerum Humanarum et Divinarum (Antiquities of Human and Divine Things):** A fragmented work exploring Roman history, religion, and institutions.
- **Fragments and Testimonia:** Scattered fragments and references to Varro's lost works, providing valuable insights into his scholarship.

Illustrated Splendor

Complementing the masterful translations are a wealth of stunning illustrations, carefully selected to enhance our understanding of Varro's writings. From intricate maps of ancient Rome to detailed depictions of agricultural practices, these visuals breathe life into the text, creating a truly immersive experience.
