Steam and Diesel Giants of the Rails

The book showcases the Detroit Mackinac Railway's diverse fleet of locomotives, from the iconic steam engines of yesteryear to the powerful diesel giants that hauled freight and passengers alike. Readers will marvel at the sleek lines and thunderous exhaust of the railway's EMD SD40-2 locomotives, as well as the nostalgic charm of its Alco RS-1 and RS-3 units.

A Detroit Mackinac Railway steam locomotive proudly stands at a station, evoking the golden age of railroad travel.

The Landscapes of Northern Michigan

Beyond the locomotives, the book also captures the stunning landscapes through which the Detroit Mackinac Railway operated. From the rolling hills and lush forests of Northern Michigan to the picturesque shores of Lake Huron, the railway's routes offered a breathtaking backdrop to its operations.

The People behind the Railway

The book not only chronicles the railway's physical history but also pays homage to the dedicated employees who made it all possible. From the engineers and conductors who operated the trains to the maintenance crews who kept the tracks and locomotives running smoothly, the human stories behind the Detroit Mackinac Railway are equally captivating.

Dedicated railroad workers diligently repair a locomotive in the roundhouse, ensuring the smooth operation of the Detroit Mackinac Railway.

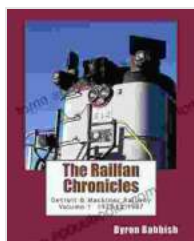

Preserving a Legacy
