In her debut memoir, Author Name tells the story of her experiences as a young black woman in America. With candor and humor, she explores the challenges and triumphs of growing up black in a white world, from the everyday microaggressions to the more overt forms of racism.

The Year I Am in USA is a powerful and moving account of one woman's journey to find her place in the world. It is a story that will resonate with anyone who has ever felt like an outsider or who has struggled to find their own identity.

Reviews
