The Clash were one of the most important and influential punk bands of all time. Their music was a mix of punk, reggae, ska, and rock, and their lyrics were often political and socially conscious.

We Are the Clash: The Interviews and the Stories is the definitive oral history of the band, featuring exclusive interviews with all four original members—Joe Strummer, Mick Jones, Paul Simonon, and Topper Headon.

In this book, the Clash tell their own story, from their early days in London to their rise to fame to their eventual breakup. They talk about their music, their influences, and their relationships with each other.

We Are the Clash is a fascinating and revealing look at one of the most important bands in rock history. It's a must-read for any fan of the Clash, or

for anyone who wants to learn more about the history of punk rock.

Reviews
