You Are Not Special is a wake-up call for the millennial generation. It is a reminder that we are not all going to be rich, famous, or successful. And that's okay.

In fact, it's more than okay. It's actually kind of liberating.

This book will help you to let go of the pressure to be perfect and to start living your life on your own terms.

It will help you to:

- Understand why you are not special
- Accept your own mediocrity
- Find happiness and fulfillment in the small things
- Stop comparing yourself to others
- Live a life that is true to yourself

If you are ready to stop chasing the dream of becoming someone you are not, then this is the book for you.
